## About Me

Hello! I'm a BSc IT student passionate about creating modern and responsive websites using HTML, CSS. Learning new things to upgrade. I am an Information Technology student with a strong interest in software development, networking, and emerging technologies. I am passionate about applying theoretical knowledge to practical projects, improving system efficiency, and continuously expanding my technical and analytical skills. I aim to contribute to innovative IT solutions that enhance productivity and user experience.

## My Skills

- HTML
- CSS
- Python
- Java
